

BUCKINGHAM MFG.

PN 574 Staple Stick

Instructions and Warnings

Warning: Do not use this product if you cannot understand and follow the instructions and warnings that come with it and complete all necessary functions.

Fig. 1a

Note: Color may vary from that shown.

Fig. 1b

- PN 574 Staple Stick (Fig. 1a) will hold 12 staples of varying diameter (0.140" – 0.150") up to 7/8" wide.
- PN 574L Large Staple Stick (Fig. 1b) will hold 10 staples of varying diameters (0.150" – 0.162") up to 1" wide.
(Recommended minimum staple diameter of 0.140" for PN 574 and 0.150" for PN 574L)

Loading Staples:

1. Align the staple with the slot (Fig. 2)
2. Insert the staple into the slot until the tips are flush with the opposite side (Fig. 3 – 5)
Note: Keeping the staple points inside the slots of the stick help to prevent snags and accidental puncture of equipment and person.

Tips of staple are flush
with base of stick

Fig. 5

Use:

1. Align the staple over the wire or conduit (Fig. 6).
2. Gripping the stick with your hand and away from the staple being used, strike the staple with the hammer starting it into the pole (Fig. 7).
3. Pull the stick away (leaving the staple in the pole) and continue to hammer staple to desired depth (Fig. 8).

Note: Extra staples have been removed for clarity.

Storing the Staple Stick:

The ½” diameter attachment hole located in the end of the staple stick (Fig. 1a and 1b) is designed to allow the stick to be stored on a Buckingham Mfg. PN 2404G handline carrier, PN 2404 BuckTender, insertion of a standard carabiner for attachment to an approved point on a user’s Body Belt or Full Body Harness or attachment to a handline hook.

Inspect the Staple Stick for:

- Cracks and tears in the material
- Excessively worn slots

Warnings:

- Know the job and the regulations governing performance requirements and select the proper equipment.
- Read carefully, understand, and heed these and all other included instructions, warnings, and cautions before using this equipment. Failure to do so could result in your serious injury or death.
- This equipment is intended for use by properly trained professionals only.
- Employer – instruct employees as to proper use, warnings, and cautions before use of this equipment.
- The user must wear all personal PPE including but not limited to eye protection, gloves and helmet.
- Allowing the points of the staple to protrude past the base of the staple stick can cause damage to equipment, PPE and personal injury.
- The user must verify the compatibility of the staple they are using with the staple stick. Too small of a diameter staple will not hold in the staple slot and could fall from staple stick while climbing / working.

Cleaning & Storage:

Clean with mild soap & water. Allow to air dry completely (not in sunlight). Your equipment should be stored and transported so that it does not come into contact with moisture, ultra violet rays, extreme temperatures, or chemical agents.

STATEMENT of OBSOLESCENCE:

Precise “useful life expectancy” or “shelf life” for this product is not specified, as the degree of use, conditions of use, and the degree of care and storage determines useful life. All users maintain responsibility to select proper equipment for the job, be properly trained in its use, and ensure all personnel support equipment passes inspection before each use. Upon evidence of defects, damage or deterioration, all equipment shall be removed from service immediately and tagged or marked as unusable or destroyed. Additionally, all equipment shall be inspected on a regular basis not to exceed one year by a Competent Person, as defined by OSHA/ANSI, to verify that the equipment is safe for use. In the event of any question or concern regarding the condition of such equipment, users shall remove the equipment from service for further inspection. All users must comply with OSHA/ANSI/ASTM standards prior to and in using such equipment. For more information regarding safe and appropriate use of equipment, please contact Buckingham Manufacturing at 1-800-937-2825.

INTERNATIONAL USERS:

Notwithstanding the above, please know that certain international jurisdictions require manufacturers of equipment to provide customers with a maximum useful lifespan (sometimes referred to as a “Statement of Obsolescence”). To the extent required, Buckingham personal protective equipment manufactured from synthetic fiber materials including but not limited to items such as webbing and/or rope are subject to a maximum useful lifespan of ten (10) years from the date of manufacture. As stated above proper usage, storage, maintenance, and care impacts the useful lifespan of equipment. Extreme circumstances may require that product must be retired after only one use. This statement is made in conformance and compliance with BS EN 365:2004. International users must ensure that product inspections are completed by Competent Persons as defined by international standards including but not limited to British Standard (“BS”). If equipment fails any inspections, it must be immediately withdrawn from service and destroyed. For more information regarding safe and appropriate use of equipment, please contact Buckingham Manufacturing at 1-800-937-2825.

OUR GUARANTEE:

We guarantee the equipment we manufacture to be free from defects in material and workmanship. We will repair any equipment deemed to be defective which is returned to us by the original purchaser. However, this guarantee is void if any product is changed or altered in any way, or if the product is used in a manner other than for which it is intended. This express guarantee supersedes all other expressed or implied guarantees, obligations or liabilities. THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND AS SUCH, ALL IMPLIED WARRANTIES ARE SPECIFICALLY DISCLAIMED.

LIMITATION ON LIABILITY:

IN NO EVENT WILL BUCKINGHAM OR BUYER BE LIABLE TO THE OTHER FOR LOST REVENUES, LOST PROFITS OR ANY OTHER INDIRECT, CONSEQUENTIAL, SPECIAL OR PUNITIVE LOSSES OR DAMAGES, HOWEVER CAUSED, WHETHER IN ACTION FOR BREACH OF CONTRACT, STRICT LIABILITY, TORT, OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES. IN NO EVENT WILL BUCKINGHAM'S LIABILITY EXCEED THE TOTAL AMOUNT PAID BY BUYER TO BUCKINGHAM FOR THE PRODUCT OR EQUIPMENT GIVING RISE TO SUCH CLAIM(S).
